sleep VIRTUAL

"I have integrated Neurovirtual systems at my sleep labs with great success. My techs find the software easy to use. We have had no technical problems and the support is great."

Dr. Jonathan Davidson – Fresno, CA
Dr. Davidson is a board certified sleep specialist and **he has eight BWII PSG Systems.**

"Sturdy, well built product. Easy to set up. Easy to use. I am extremely pleased."

L. Davis R.PSG T. - Portland, ME

BWII
PSG
